**RECOMMENDATIONS TO COP13**

- Recommended for adoption.

**COMMENTS ON SPECIFIC SECTIONS/ INCLUDING POSSIBLE PROPOSALS FOR TEXT  
REVISION**

Page 10, para. 6.2 International protection status

- While the Urial is currently included as *Ovis aries* in the CITES Appendices, CITES COP18 decided to divert from Wilson & Reeder 2005 and change the name of the species again to *Ovis vignei*. The text should be amended accordingly.
