

**Initial Preparation of the Philippines for the  
Hosting of:**

**12<sup>th</sup> Meeting of the Conference of Parties  
to the Convention on the Conservation of  
Migratory Species of Wild Animals  
(CMS COP12)**

**Department of Environment and Natural Resources**

# CMS COP12 Preparations:

- Created an Ad Hoc Working Group to mobilize the initial preparations of the event;
- Coordinated with the Department of Foreign Affairs. Local counterpart funds to support the hosting of the Conference shall be made available through the International Commitment Fund as well as included in the annual budget of the Department of Environment and Natural Resources;
- A potential venue in Metro Manila was identified at the historic site of Manila Bay; and
- Close coordination with the CMS Secretariat for guidance on hosting requirements
