CAMBODIA

MARINE TURTLE ACTIVITIES

2. Sea Turtle Sighting

- Searching and recording the capture and release into online database.
- 2001-2022: **140** sea turtle were sighted and released with **43** Hawksbill, **59** tagged with **12** Hawksbill (coastal Provinces, KK, SHV, KEP, KPT)
- Procurement and distribution of tags among all key coastal stakeholders

4. Sea Turtle IWT

- Assessment on the scale and value of sea turtle product trade in Cambodia

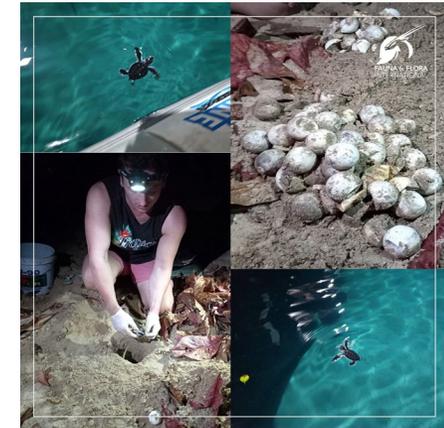

1. Sea Turtle Bycatch Surveys

- Fisher interviews (2016-2018) N=445, push nets and ray hooks (J hooks) highest bycatch rate
- Fisher interviews (2018-2019) N=221
- 2022, the survey is under preparation

3. Sea Turtle Nesting Survey

- A network of volunteers conduct regular surveys of key marine turtle nesting beaches.

5. Awareness Raising

- Awareness raising events: 4 trips/year
- More than 10 signboard erected very year

Thank you!
