UNEP/CMS/CAMI First Range State
Meeting for the Persian Leopard
Tbilisi, Georgia, 20-22 Sept. 2022

Time scale

2008

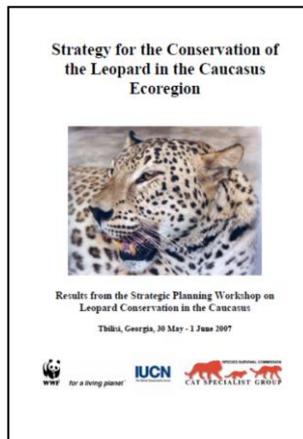

2019

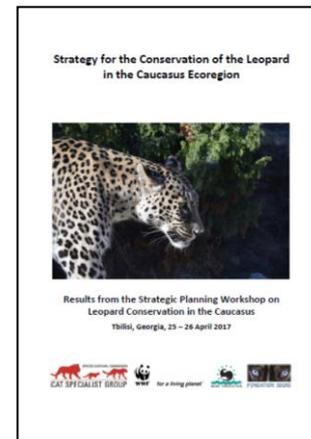

NAPs

Regional
strategies

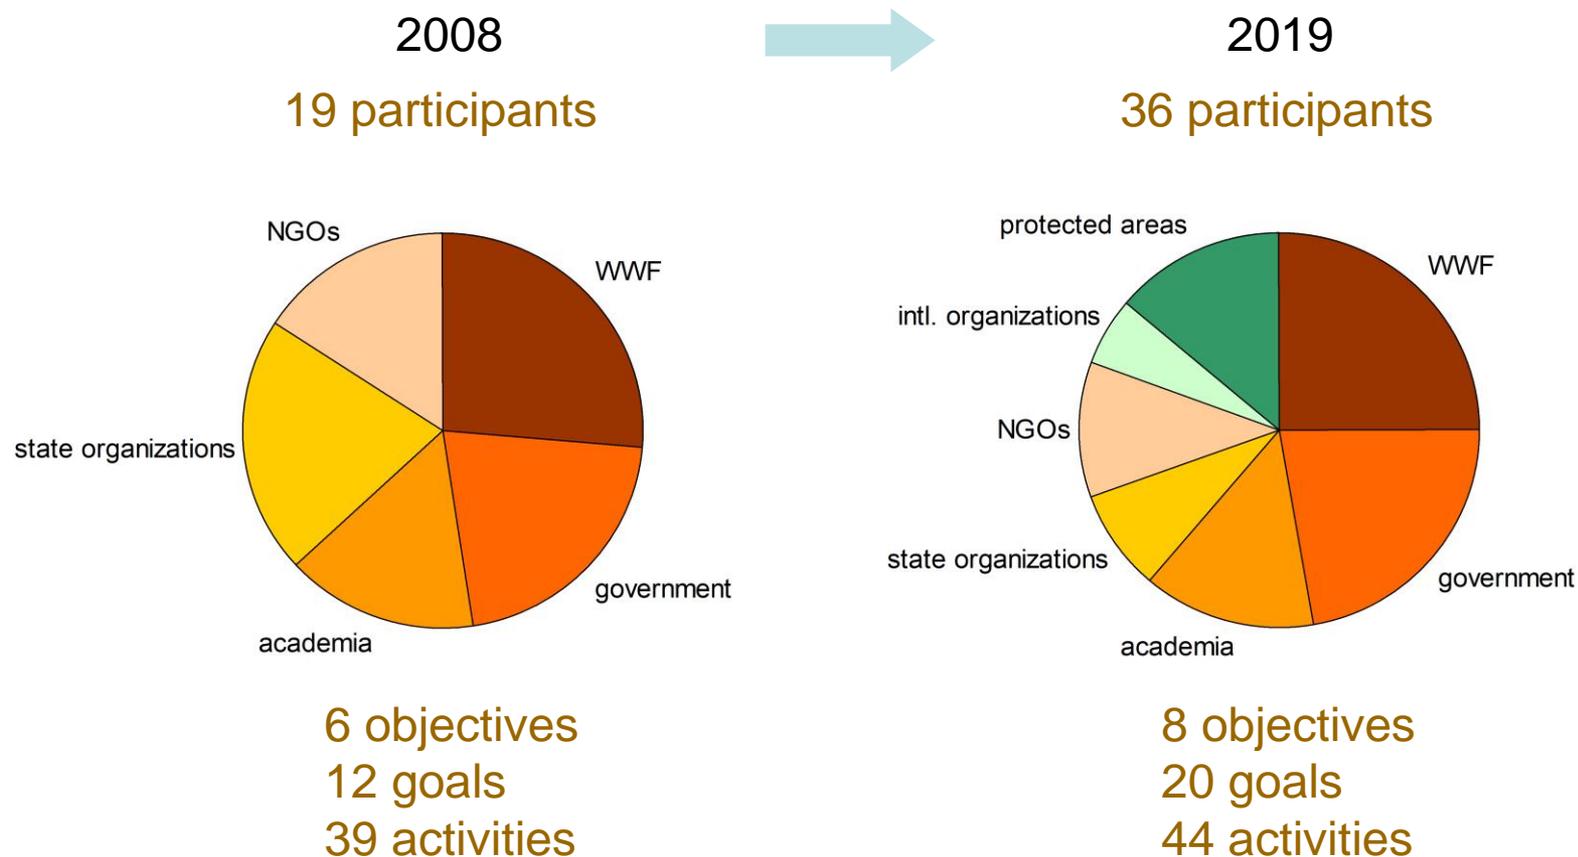

2007

2017

Stakeholders and scopes

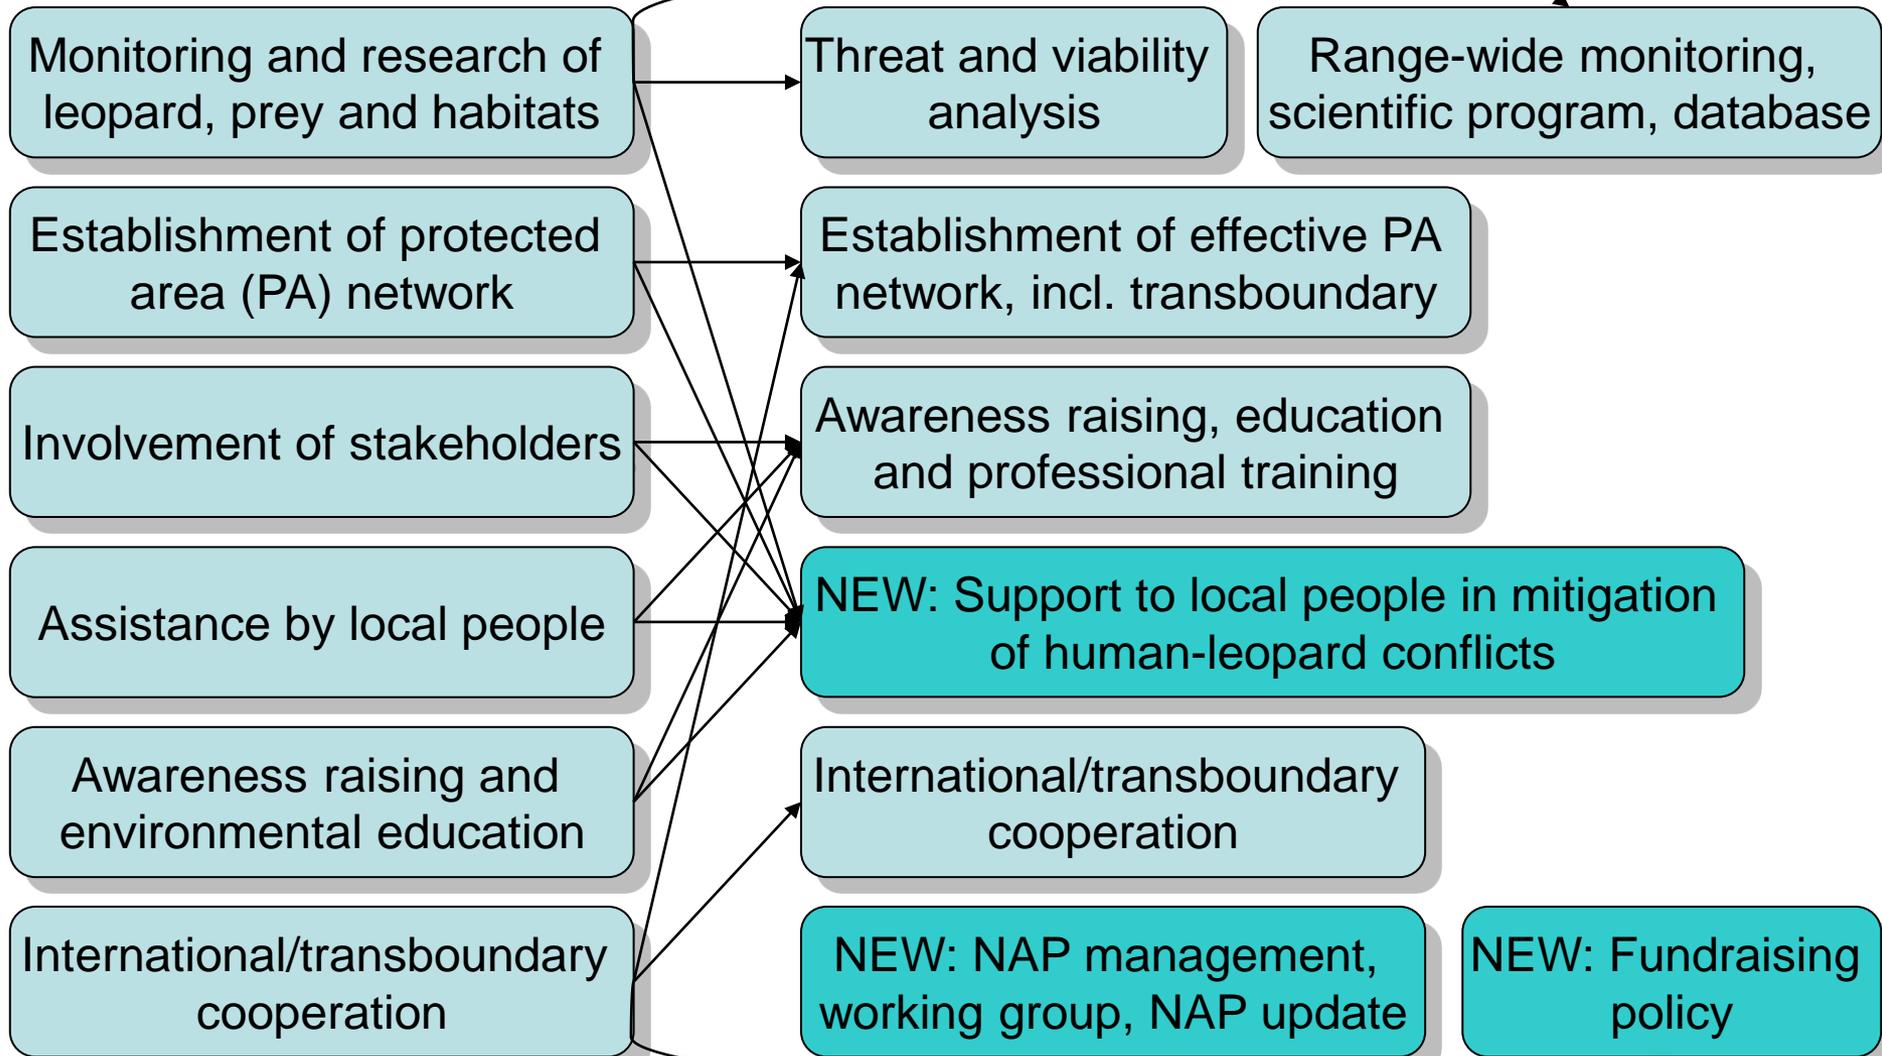

Results:

- More stakeholders involved in adequate proportions
- Numbers of activities retained, but they become more diverse and consolidated

From establishment to development

2008

2019

Effectiveness of 2008 NAP

Objectives (No. activities)	No. activities		
	Fully done	Partly done	Not done
Monitoring and research of leopard, prey and habitats (6)	3	3	
Establishment of PA network (10)	7	3	
Involvement of stakeholders (4)	3	1	
Assistance by local people (10)	9	1	
Awareness raising and environmental education (3)	0	3	
International/transboundary cooperation (6)	1	3	2
