1. In order to facilitate the smooth and uninterrupted flow of the 5th Meeting of the Raptors MOU Technical Advisory Group (TAG5), to be held on 14 December 2022 in an online conference format, the Secretariat has compiled the following set of guidelines for the meeting participants:

Before the Meeting

2. The meeting will be hosted using Microsoft Teams online platform. Joining via computer, no preliminary download is necessary as the participants can join through their internet browser using the meeting link. However, downloading the app is recommended for access to more functionality.
3. Make sure you have a stable internet connection (preferably cable), a well-functioning web camera and a headset by testing them before the meeting.
4. Choose a quiet environment for the call. Any background noises or other distractions may interfere with the meeting.
5. Choose a location with good lighting and clear background.
6. Presenters should have presentations ready and open on their computers in advance. The presenters will be able to share their screen with the meeting participants. Please also send the presentation to the Raptors MOU Coordinating Unit cmsoffice.ae@cms.int well in advance of the meeting.

During the Meeting

7. The online session will be open 15 minutes before the scheduled start. The Secretariat will email all participants the link to the meeting.
