

**ANNEX 6**

**PROGRAMME OF WORK FOR THE INTERSESSIONAL PERIOD  
BETWEEN COP14 AND COP15**

*(Prepared by the Secretariat)*

Background

1. Since its adoption by the Thirteenth Meeting of the Conference of the Parties (COP13, 2020), the Programme of Work (POW) for 2020-2023 has proven to be an important tool guiding the work of the Secretariat including its fundraising efforts and allowing for more streamlined annual reporting on progress on implementation.
2. On the basis of the experience gained so far, the Secretariat intends to develop a POW for 2024-2026 with very minor adjustments to the structure and level of details of the POW for the previous intersessional period.
3. The POW for 2024-2026 will be finalized immediately following COP14, to allow the Secretariat to accurately reflect the new mandates adopted at COP14.
