I(b). Information about involved Authorities

Identify the ministry, agency/department or organization that is responsible for leading actions relating to Appendix I species

1	Birds	BSPSM
2	Marine Mammals	
3	Marine Turtles	
4	Terrestrial Mammals	BSPSM
5	Bats	BSPSM
6	Other Taxa	BSPSM

There are no actions! The reason is low public awareness about this issues and the reason for the previous is lack of any funds for nature protection in Macedonia apart of lot of money circulating from many international and financial institutions!?

Possibility for approaching European funds are also scarce and nearly impossible if NGO is not close to the government as the donors are looking for the written support by the relevant institutions (what is impossible to be obtained in some or many cases!)

1.1 General questions on Appendix I bird species

1	<p>Is the taking of all Appendix I bird species prohibited by the national implementing legislation cited in Table I(a) (General Information)? <input type="checkbox"/> Yes <input checked="" type="checkbox"/> No</p> <p>If <i>other</i> legislation is relevant, please provide details:</p> <p>We have Low for hunting only – there are no low for prohibition of hunting or protection of Bonn I species?</p>												
1a	<p>If the taking of Appendix I bird species is prohibited by law, have any exceptions been granted to the prohibition? <input type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>If Yes, please provide details (Include the date on which the exception was notified to the CMS Secretariat pursuant to CMS Article III(7):</p>												
2	<p>Identify any obstacles to migration that exist in relation to Appendix I bird species:</p> <table style="width: 100%; border: none;"> <tr> <td style="width: 30%;">By-catch</td> <td style="width: 10%; text-align: center;">x</td> <td style="width: 30%;">Electrocution</td> <td style="width: 10%; text-align: center;">x</td> </tr> <tr> <td>Habitat destruction</td> <td style="text-align: center;">x</td> <td>Wind turbines</td> <td style="text-align: center;"><input type="checkbox"/> not yet but very soon ?</td> </tr> <tr> <td>Pollution</td> <td style="text-align: center;">x</td> <td></td> <td></td> </tr> </table> <p>Other (please provide details) hunting (hunters do not know Bonn I species)</p> <p style="color: red;">Nobody have supported a project for such a project or activity?!!</p>	By-catch	x	Electrocution	x	Habitat destruction	x	Wind turbines	<input type="checkbox"/> not yet but very soon ? 2a	<p>What actions are being undertaken to overcome these obstacles?</p> <p>Without financial support it is nearly impossible.</p>												
2b	<p>Please report on the progress / success of the actions taken.</p> <p style="text-align: center;">-</p>												
2c	<p>What assistance, if any, does your country require in order to overcome these obstacles?</p> <p>Only financial assistance for supporting of one consistent policy regarding Bonn convention implementation in Macedonia</p>												
3	<p>What are the major threats to Appendix I bird species (transcending mere obstacles to migration)?</p> <table style="width: 100%; border: none;"> <tr> <td style="width: 30%;">Illegal trade</td> <td style="width: 10%; text-align: center;"><input type="checkbox"/></td> <td style="width: 30%;">Poaching</td> <td style="width: 10%; text-align: center;">x</td> </tr> </table> <p>Other (please specify)</p>	Illegal trade	<input type="checkbox"/>	Poaching	x

3a	<p>What actions have been taken to prevent, reduce or control factors that are endangering or are likely to further endanger bird species beyond actions to prevent disruption to migrating behaviour?</p> <p>Without financial support it is nearly impossible.</p>												
3b	<p>Please report on the progress / success of the actions taken.</p> <p style="text-align: center;">-</p>

Other remarks:

We are missing financial support to animate the needs for Migratory species protection.

Foreign embassies are very frequent offering some support for environment but it seems without some strategy and transparency and what is more important without some visible results. So the situations really bad- we need public awareness, we need support for initial inventory, we need support for real protection we need support for protection of habitats etc etc. For the last 25 years I am involved in nature protection, I have not seen some positive action nor from some developed country, (Only Netherlands IUCN –Small Projects for Wetlands which was the first case that some organization directly initiate implementation of some convention!!!! only case, unique case), nor from some foreign embassy in Macedonia which have shown interest for Bonn convention?!!

Not to talk about the German Embassy here in Macedonia who have never contacted Mac. Bonn Committee. So no one donor organization has ever contacted Macedonian Bonn Committee- and without support we are not in position to do anything in favour of implementation of a Bonn convention.

Maybe Secretariat of the Bonn Convention should play some role in facilitation of such processes not only for Macedonia but also for other developing countries in Europe and worldwide as it seems it is the same case.

Annex: Updating Data on Appendix II Species

Parties that did submit a report in 2005 need only which information has changed (e.g. new published distribution references and details concerning species added to Appendix II at COP8).
