

# CONVENTION ON MIGRATORY SPECIES

Distr: General

UNEP/CMS/Inf.9.12.39  
21 June 2008

Original: English

NINTH MEETING OF THE  
CONFERENCE OF THE PARTIES  
Rome, 1-5 December 2008  
Agenda Item 10a

## REVIEW OF IMPLEMENTATION OF THE CONVENTION

National Reports Submitted by Contracting Parties

Report of: **Liberia** (received: 21.06.2008)

The Secretariat is making available, for the information of participants in the Ninth Meeting of the Conference of the Parties to the Convention on Migratory Species, the national reports provided by Contracting Parties. For the most part, the national reports have been reproduced in the form in which they were received, apart from minor formatting changes.

## REVUE DE L'APPLICATION DE LA CONVENTION

Rapports nationaux soumis aux parties contractantes

Rapport de: **Libéria** (reçu: 21.06.2008)

Pour l'information des participants à la Neuvième Réunion de la Conférence des Parties à la Convention sur les Espèces migratrices, le Secrétariat met à leur disposition des rapports nationaux fournis par les parties contractantes. Dans la plupart des cas, les rapports nationaux ont été reproduits dans la forme même sous laquelle nous les avons reçus, abstraction faite de formatages mineurs.

## REVISION DE LA APLICACION DE LA CONVENCION

Reportes Nacionales Enviados por los Miembros del Acuerdo

Reporte de: **Liberia** (recibido: 21.06.2008)

Los reportes nacionales enviados por los Miembros del Acuerdo están a disposición de los participantes del Novena Reunión de la Conferencia de los Miembros de la Convención sobre Especies Migratorias en la Secretaría. La mayoría de ellos se encuentran en la versión original en la que se enviaron, con excepción de pequeños ajustes de formato.

# Convention on the Conservation of Migratory Species of Wild Animals

## FORMAT FOR NATIONAL REPORT OF PARTIES ON THE IMPLEMENTATION OF THE CONVENTION ON THE CONSERVATION OF MIGRATORY SPECIES OF WILD ANIMALS

**Reporting format agreed by the Standing Committee at its 32nd Meeting (Bonn, November 2007) for mandatory use by Parties, for reports submitted to the Ninth Meeting of the Conference of the Parties (COP9) (Rome, 2008).**

The questions below combine elements of Resolution 4.1 (Party Reports) adopted by the Fourth Meeting of the Conference of the Parties (Nairobi, June 1994) and Resolution 6.4 (Strategic Plan for the Convention on Migratory Species 2000-2005), adopted by the Sixth Meeting of the Conference of the Parties (Cape Town, November 1999), the COP8 Strategic Plan 2006-2011 and Resolution 8.24 adopted by the Conference of the Parties (Nairobi 2005), as well as commitments arising from other operational Resolutions and Recommendations of the Conference of the Parties.

Parties are encouraged to respond to all questions. Parties are also requested to provide comprehensive answers, including, where appropriate, a summary of activities, information on factors limiting action and details of any assistance required.

This document has been designed with semi-automated text-form fields. Please double click on the grey boxes to enter the field. You can then enter the required information. Continue to do so with each text-field or jump to the next field directly by using the tab key. Where checkboxes are available you might check these with a single click.

Please enter here the name of your country: **LIBERIA**

Which agency has been primarily responsible for the preparation of this report?

*Environmental Protection Agency*

Please list any other agencies that have provided input:

Forestry Development Authority & Ministry of Agriculture

## I(a). General Information

Please enter the required information in the table below:

<b>Party</b>	
Date of entry into force of the Convention in [ <i>Liberia</i> ]	<b>1 December 2004</b>
Period covered	<b>01/126/2004 to 2008</b>
Territories to which the Convention applies	<b>Terrestrial &amp; marine</b>
<b>DESIGNATED NATIONAL FOCAL POINT</b>	
Full name of the institution	Environmental Protection Agency of Liberia
Name and title of designated Focal Point	James E. Coleman, CMS Focal Point
Mailing address	P.O. Box 4024, 4th Street, Sinkor, Monrovia, Liberia
Telephone	231 (0)77 217145
Fax	
E-mail	jecoleman2@yahoo.com
<b>APPOINTMENT TO THE SCIENTIFIC COUNCIL</b>	
Full name of the institution	
Name and title of contact officer	
Mailing address	
Telephone	
Fax	
E-mail	
<b>SUBMISSION</b>	
Name and Signature of officer responsible for submitting national report	Name: James E. Coleman Address: Environmental Protection Agency, P.O. Box 4024, Monrovia, Liberia Tel.: 231 0 77 217145 Fax: E-mail: jecoleman2@yahoo.com
Date of submission	
Membership of the Standing Committee (if applicable):	Name: Address: Tel.: Fax: E-mail:
Competent Authority:	Environmental Protection Agency
Relevant implemented legislation:	Environmental Protection and Management Law (2003)
Other relevant Conventions/ Agreements (apart from CMS) to which <i>country name</i> is a Party:	Convention on Biological Diversity (CBD), CITES, RAMSAR Convention on Wetlands, UN Framework Convention on Climate Change (UNFCCC), African Convention on the Conservation of Nature and Natural Resources, Cartagena Protocol on Biosafety to the CBD, Montreal Protocol on Substances that Deplete the Ozone Layer, Stockholm Convention on Persistent Organic Pollutants, Convention Concerning the Protection of World Cultural and Natural Heritage, among others.
National policy instruments (e.g. national biodiversity conservation strategy, etc.):	Liberia National Biodiversity Strategy and Action Plan-2004 (NBSAP), Environmental Protection and Management Law (2003), <i>draft</i> Liberia Protected Areas Network Strategic Plan 2008 -2013, Liberia Poverty Reduction Strategy 2007 -10.

**Please indicate whether your country is part of the following Agreements/MoU. If so, please indicate the competent national institution**

<b>Wadden Sea Seals:</b>	<input type="checkbox"/> Party	<input type="checkbox"/> Non-party Range State

1	<p>Which other government departments are involved in activities/initiatives for the conservation of migratory species in your country? (Please list.)</p> <p>Forestry Development Authority &amp; Ministry of Agriculture</p>
2	<p>If more than one government department is involved, describe the interaction/relationship between these government departments:</p> <p>The Forestry Development Authority provides long and medium range planning in the forestry sector as well as preparation of forestry policies.</p> <p>The Ministry of Agriculture executes, administers, manages and supervises agriculture programme and ensures the proper quarantining of animals for export.</p>
3	<p>Has a national liaison system or committee been established in your country? Please provide contact information</p> <p><input type="checkbox"/> Yes <input checked="" type="checkbox"/> No</p>
4	<p>List the main non-governmental organizations actively involved in activities/initiatives for the conservation of migratory species in your country, and describe their involvement:</p> <p>Concerned Environmentalists for the Enhancement of Biodiversity (CEEB) – promotes awareness for the protection of migratory and other endangered species of wild animals.</p> <p>Society for the Conservation of Nature of Liberia (SCNL) – involved with species and ecosystem conservation, and cooperates with other organizations concerned with conservation of wild fauna and flora in Liberia.</p>
4a	<p>Please provide detail on any devolved government/overseas territory authorities involved.</p>
5	<p>Describe any involvement of the private sector in the conservation of migratory species in your country:</p>
6	<p>Note any interactions between these sectors in the conservation of migratory species in your country:</p> <p>None</p>

## I(b). Information about involved Authorities

Identify the ministry, agency/department or organization that is responsible for leading actions relating to Appendix I species

1	Birds	Environmental Protection Agency of Liberia & Forestry Development Authority
2	Marine Mammals	Environmental Protection Agency of Liberia & Forestry Development Authority
3	Marine Turtles	Environmental Protection Agency of Liberia & Forestry Development Authority
4	Terrestrial Mammals	Environmental Protection Agency of Liberia & Forestry Development Authority
5	Bats	Environmental Protection Agency of Liberia & Forestry Development Authority
6	Other Taxa	Environmental Protection Agency of Liberia & Forestry Development Authority

## II. Appendix I species

### 1. BIRDS

#### 1.1 General questions on Appendix I bird species

1	<p>Is the taking of all Appendix I bird species prohibited by the national implementing legislation cited in Table I(a) (General Information)? <input checked="" type="checkbox"/> Yes <input type="checkbox"/> No</p> <p>If <i>other</i> legislation is relevant, please provide details:</p>
1a	<p>If the taking of Appendix I bird species is prohibited by law, have any exceptions been granted to the prohibition? <input type="checkbox"/> Yes <input checked="" type="checkbox"/> No</p> <p>If Yes, please provide details (Include the date on which the exception was notified to the CMS Secretariat pursuant to CMS Article III(7):</p>
2	<p>Identify any obstacles to migration that exist in relation to Appendix I bird species:</p> <p>By-catch <input type="checkbox"/>                      Electrocutation <input type="checkbox"/>  Habitat destruction <input checked="" type="checkbox"/>                      Wind turbines <input type="checkbox"/>  Pollution <input checked="" type="checkbox"/></p> <p>Other (please provide details) <span style="color: red;">inadequate legislation, weak enforcement of existing laws, weak conservation education &amp; awareness, inadequate information</span></p>
2a	<p>What actions are being undertaken to overcome these obstacles?</p> <p>Drafting of Framework law for wildlife conservation; proposals developed to initiate bio-monitoring (terrestrial and marine); and, conservation education and awareness programme.</p>
2b	<p>Please report on the progress / success of the actions taken.</p> <p>Strategic Plan (2008-13) for the establishment and management of protected areas network is being finalized; Comprehensive bill on conservation and wildlife legislation has been prepared; efforts are being made to source funding in support of various prop</p>
2c	<p>What assistance, if any, does your country require in order to overcome these obstacles?</p> <p>Technical, logistical and financial supports</p>
3	<p>What are the major threats to Appendix I bird species (transcending mere obstacles to migration)?</p> <p>Illegal trade <input checked="" type="checkbox"/>                      Poaching <input checked="" type="checkbox"/>  Other (please specify) <span style="color: red;">habitat destruction, inadequage legislation, weak enforcement of existing legislation, inadequate measure for conservation education and awareness</span></p>
3a	<p>What actions have been taken to prevent, reduce or control factors that are endangering or are likely to further endanger bird species beyond actions to prevent disruption to migrating behaviour?</p> <p>Comprehensive bill on conservation and wildlife legislation has been prepared; some measures to reduce impact on wildlife species is included in Liberia Poverty Reduction Strategy (2008-10), Strategic Plan (2008-10) for the establishment and management of protected areas network is being finalized; efforts are being made to source funding in support of monitoring, establishment of additional protected areas, conservation education &amp; awareness, among others .</p>
3b	<p>Please report on the progress / success of the actions taken.</p> <p>Framework law for wildlife conservation is being drafted; additional priority areas identified for inclusion in the protected areas network and conservation corridors;</p>
3c	<p>Describe any factors that may limit action being taken in this regard:</p> <p>inadequate technical, logistical and financial supports.</p>
3d	<p>What assistance, if any, does your country require to overcome these factors?</p> <p>technical, logistical and financial assistance.</p>

## 1.2 Questions on specific Appendix I bird species

In the following section, using the table format below, please fill in each Appendix I bird species for which your country is considered to be a Range State. Please complete each table as appropriate, providing information in summary form. Where appropriate, please cross-reference to information already provided in national reports that have been submitted under other conventions (e.g. Convention on Biological Diversity, Ramsar Convention, CITES). (Attach annexes as necessary.)

<i>Species name – Common Name(s)</i> Falco naumanni; Lesser Kestrel																															
1	Please provide published distribution reference: Wulf Gatter, 1997: Birds of Liberia																														
2a	Summarise information on population size (if known): increasing <input type="checkbox"/> decreasing <input type="checkbox"/> stable <input type="checkbox"/> not known <input checked="" type="checkbox"/> unclear <input type="checkbox"/>																														
2b	Summarise information on distribution (if known): increasing <input type="checkbox"/> decreasing <input type="checkbox"/> stable <input type="checkbox"/> not known <input checked="" type="checkbox"/> unclear <input type="checkbox"/>																														
3	Indicate (with an 'X') and briefly describe any activities that have been carried out in favour of this species in the reporting period. (Please provide the title of the project and contact details, where available): <table style="width: 100%; border: none;"> <tr> <td style="width: 80%;">Research</td> <td style="text-align: center;"><input type="checkbox"/></td> <td></td> </tr> <tr> <td>Identification and establishment of protected areas</td> <td style="text-align: center;"><input type="checkbox"/></td> <td></td> </tr> <tr> <td>Monitoring</td> <td style="text-align: center;"><input checked="" type="checkbox"/></td> <td>partial monitoring by researcher</td> </tr> <tr> <td>Education/awareness rising</td> <td style="text-align: center;"><input type="checkbox"/></td> <td></td> </tr> <tr> <td>Species protection</td> <td style="text-align: center;"><input type="checkbox"/></td> <td></td> </tr> <tr> <td>Control hunting / poaching</td> <td style="text-align: center;"><input type="checkbox"/></td> <td></td> </tr> <tr> <td>Species restoration</td> <td style="text-align: center;"><input type="checkbox"/></td> <td></td> </tr> <tr> <td>Habitat protection</td> <td style="text-align: center;"><input type="checkbox"/></td> <td></td> </tr> <tr> <td>Habitat restoration</td> <td style="text-align: center;"><input type="checkbox"/></td> <td></td> </tr> <tr> <td>Other</td> <td style="text-align: center;"><input type="checkbox"/></td> <td></td> </tr> </table>	Research	<input type="checkbox"/>		Identification and establishment of protected areas	<input type="checkbox"/>		Monitoring	<input checked="" type="checkbox"/>	partial monitoring by researcher	Education/awareness rising	<input type="checkbox"/>		Species protection	<input type="checkbox"/>		Control hunting / poaching	<input type="checkbox"/>		Species restoration	<input type="checkbox"/>		Habitat protection	<input type="checkbox"/>		Habitat restoration	<input type="checkbox"/>		Other	<input type="checkbox"/>	
Research	<input type="checkbox"/>																														
Identification and establishment of protected areas	<input type="checkbox"/>																														
Monitoring	<input checked="" type="checkbox"/>	partial monitoring by researcher																													
Education/awareness rising	<input type="checkbox"/>																														
Species protection	<input type="checkbox"/>																														
Control hunting / poaching	<input type="checkbox"/>																														
Species restoration	<input type="checkbox"/>																														
Habitat protection	<input type="checkbox"/>																														
Habitat restoration	<input type="checkbox"/>																														
Other	<input type="checkbox"/>																														
4	If no activities have been carried out for this species in the reporting period, what has prevented such action being taken?  The Liberian civil war that lasted for about 14 years, lack of trained personnel, logistics and funding																														
5	Describe any future activities that are planned for this species:  Nation wide assessment, monitoring, education and awareness and protection measure.																														

Miscellaneous information or comments on Appendix I birds in general:

## 2. MARINE MAMMALS

### 2.1 General questions on Appendix I marine mammals

1	<p>Is the taking of all Appendix I marine mammals prohibited by the national implementing legislation cited in Table I(a) (General Information)? <span style="float: right;"><input checked="" type="checkbox"/> Yes <input type="checkbox"/> No</span></p> <p>If <i>other</i> legislation is relevant, please provide details: Convention on International Trade in Endangered Species of Wild Flora and Fauna (CITES)</p>
1a	<p>If the taking of Appendix I marine mammals is prohibited by law, have any exceptions been granted to the prohibition? <span style="float: right;"><input type="checkbox"/> Yes <input checked="" type="checkbox"/> No</span></p> <p>If Yes, please provide details (Include the date on which the exception was notified to the CMS Secretariat pursuant to CMS Article III(7)):</p>
2	<p>Identify any obstacles to migration that exist in relation to Appendix I marine mammals:</p> <p>By-catch <input type="checkbox"/>                      Collision with fishing traffic <input checked="" type="checkbox"/>  Pollution <input checked="" type="checkbox"/>                      Illegal hunting <input checked="" type="checkbox"/>  Other threats to migration (please provide details)      inadequate legislation, weak enforcement of existing laws</p>
2a	<p>What actions are being undertaken to overcome these obstacles?</p> <p>Comprehensive bill on conservation and wildlife legislation are being prepared; some measures to reduce impact on wildlife species is included in Liberia Poverty Reduction Strategy (2008-10),</p>
2b	<p>Please report on the progress / success of the actions taken.</p> <p>Framework law for wildlife conservation has been drafted; efforts to establish marine protected areas are underway</p>
2c	<p>What assistance, if any, does your country require in order to overcome these obstacles?</p> <p>Technical, logistical and financial assistance.</p>
3	<p>What are the major pressures on Appendix I marine mammal species (transcending mere obstacles to migration)?</p> <p>Pollution <input checked="" type="checkbox"/>                      By-catch <input type="checkbox"/>  Other (please specify)</p>
3a	<p>What actions have been taken to prevent, reduce or control factors that are endangering or are likely to further endanger species of marine mammal beyond actions to prevent disruption to migrating behaviour?</p> <p>Comprehensive bill on conservation and wildlife legislation is being prepared, Strategy to reduce coastal pollution is being formulated</p>
3b	<p>Please report on the progress / success of the actions taken.</p> <p>Framework law for wildlife conservation has been drafted; efforts to establish marine protected areas are underway</p>
3c	<p>Describe any factors that may limit action being taken in this regard:</p> <p>lack of technical, logistical and financial supports</p>
3d	<p>What assistance, if any, does your country require to overcome these factors?</p> <p>technical, logistical and financial assistance</p>

## 2.2 Questions on specific Appendix I marine mammals

In the following section, using the table format below, please fill in each Appendix I marine mammal species for which your country is considered to be a Range State. Please complete each table as appropriate, providing information in summary form. Where appropriate, please cross-reference to information already provided in national reports that have been submitted under other conventions (e.g. Convention on Biological Diversity, Ramsar Convention, CITES). (Attach annexes as necessary.)

<i>Species name</i> – Common Name(s) <i>Physeter macrocephalus</i> ; Sperm Whale	
1	Please provide published distribution reference: The Sperm Whale has been sighted along the sea coast of Liberia over the years, but no study has been done to date regarding its ecology
2a	Summarise information on population size (if known): increasing <input type="checkbox"/> decreasing <input type="checkbox"/> stable <input type="checkbox"/> not known <input checked="" type="checkbox"/> unclear <input type="checkbox"/>
2b	Summarise information on distribution (if known): increasing <input type="checkbox"/> decreasing <input type="checkbox"/> stable <input type="checkbox"/> not known <input checked="" type="checkbox"/> unclear <input type="checkbox"/>
3	Indicate (with an 'X') and briefly describe any activities that have been carried out in favour of this species in the reporting period. (Please provide the title of the project and contact details, where available): Research <input type="checkbox"/> Identification and establishment of protected areas <input type="checkbox"/> Monitoring <input type="checkbox"/> Education / awareness rising <input type="checkbox"/> Species protection <input type="checkbox"/> Control hunting / poaching <input type="checkbox"/> Species restoration <input type="checkbox"/> Habitat protection <input type="checkbox"/> Habitat restoration <input type="checkbox"/> Other <input type="checkbox"/>
4	If no activities have been carried out for this species in the reporting period, what has prevented such action being taken? The recently ended Liberian Civil war which lasted for more than 14 years
5	Describe any future activities that are planned for this species: Post-war assesment and monitoring, research, education & awareness, pollution control

Miscellaneous information or comments on Appendix I marine mammals in general:

### 3 MARINE TURTLES

#### 3.1 General questions on Appendix I marine turtles

1	Is the taking of all Appendix I marine turtles prohibited by the national implementing legislation cited in Table I(a) (General Information)? <span style="float: right;"><input checked="" type="checkbox"/> Yes <input type="checkbox"/> No</span> If <i>other</i> legislation is relevant, please provide details: Liberia's Wildlife Law (1986)
1a	If the taking of Appendix I marine turtles is prohibited by law, have any exceptions been granted to the prohibition? <span style="float: right;"><input type="checkbox"/> Yes <input checked="" type="checkbox"/> No</span> If Yes, please provide details (Include the date on which the exception was notified to the CMS Secretariat pursuant to CMS Article III(7)):
2	Identify any obstacles to migration that exist in relation to Appendix I marine turtles: By-catch <input type="checkbox"/> <span style="margin-left: 150px;">Pollution <input checked="" type="checkbox"/></span> Other threats to migration (please provide details)
2a	What actions are being undertaken to overcome these obstacles? Proposals are being developed for post-war assessment of key locations
2b	Please report on the progress / success of the actions taken. New Wildlife Law is being drafted; funding is being sourced to support research and awareness proposals
2c	What assistance, if any, does your country require in order to overcome these obstacles? technical, logistical and financial assistance
3	What are the major pressures on Appendix I marine turtles (transcending mere obstacles to migration)? Collection of eggs <input checked="" type="checkbox"/> <span style="margin-left: 100px;">Predation of eggs <input checked="" type="checkbox"/></span> Destruction of nesting beaches <input checked="" type="checkbox"/> Other (please specify)
3a	What actions have been taken to prevent, reduce or control factors that are endangering or are likely to further endanger species of marine turtles beyond actions to prevent disruption to migrating behaviour? Proposals are being developed for post-war assessment of key locations
3b	Please report on the progress / success of the actions taken.
3c	Describe any factors that may limit action being taken in this regard: lack of technical, logistical and financial supports
3d	What assistance, if any, does your country require to overcome these factors? technical, logistical and financial support

### 3.2 Questions on specific Appendix I marine turtles

**In the following section, using the table format below, please fill in each Appendix I marine turtle species for which your country is considered to be a Range State. Please complete each table as appropriate, providing information in summary form. Where appropriate, please cross-reference to information already provided in national reports that have been submitted under other conventions (e.g. Convention on Biological Diversity, Ramsar Convention, CITES). (Attach annexes as necessary.)**

<i>Species name</i> – Common Name(s) Chelonia mydas; Green Turtle	
1	Please provide published distribution reference:
2a	Summarise information on population size (if known): increasing <input type="checkbox"/> decreasing <input type="checkbox"/> stable <input type="checkbox"/> not known <input checked="" type="checkbox"/> unclear <input type="checkbox"/>
2b	Summarise information on distribution (if known): increasing <input type="checkbox"/> decreasing <input type="checkbox"/> stable <input type="checkbox"/> not known <input checked="" type="checkbox"/> unclear <input type="checkbox"/>
3	Indicate (with an 'X') and briefly describe any activities that have been carried out in favour of this species in the reporting period. (Please provide the title of the project and contact details, where available): Research <input type="checkbox"/> Identification and establishment of protected areas <input type="checkbox"/> Monitoring <input checked="" type="checkbox"/> partial monitoring is being initiated Education / awareness rising <input type="checkbox"/> Species protection <input type="checkbox"/> Control hunting / poaching <input type="checkbox"/> Species restoration <input type="checkbox"/> Habitat protection <input type="checkbox"/> Habitat restoration <input type="checkbox"/> Other <input type="checkbox"/>
4	If no activities have been carried out for this species in the reporting period, what has prevented such action being taken? the Liberian civil war that lasted for about 14 years
5	Describe any future activities that are planned for this species: Post-war assesment and monitoring, research, education & awareness, pollution control

Miscellaneous information or comments on Appendix I marine turtles in general:

## 4.2 Questions on specific Appendix I terrestrial mammals (other than bats)

In the following section, using the table format below, please fill in each Appendix I terrestrial mammal species (other than bats) for which your country is considered to be a Range State. Please complete each table as appropriate, providing information in summary form. Where appropriate, please cross-reference to information already provided in national reports that have been submitted under other conventions (e.g. Convention on Biological Diversity, Ramsar Convention, CITES). (Attach annexes as necessary.)

<i>Species name</i> – Common Name(s) <i>Loxodonta africana cyclotis</i> ; Forest Elephant	
1	Please provide published distribution reference:
2a	Summarise information on population size (if known): increasing <input type="checkbox"/> decreasing <input type="checkbox"/> stable <input type="checkbox"/> not known <input checked="" type="checkbox"/> unclear <input type="checkbox"/>
2b	Summarise information on distribution (if known): increasing <input type="checkbox"/> decreasing <input type="checkbox"/> stable <input type="checkbox"/> not known <input checked="" type="checkbox"/> unclear <input type="checkbox"/>
3	<p>Indicate (with an 'X') and briefly describe any activities that have been carried out in favour of this species in the reporting period. (Please provide the title of the project and contact details, where available):</p> <p>Research <input type="checkbox"/></p> <p>Identification and establishment of protected areas network and conservation corridors <input checked="" type="checkbox"/>    plans are underway to establish protected areas</p> <p>Monitoring <input type="checkbox"/></p> <p>Education / awareness rising <input type="checkbox"/></p> <p>Species protection <input type="checkbox"/></p> <p>Control hunting / poaching <input type="checkbox"/></p> <p>Species restoration <input type="checkbox"/></p> <p>Habitat protection law for wildlife conservation <input checked="" type="checkbox"/>    Efforts are underway to develop new framework</p> <p>Habitat restoration <input type="checkbox"/></p> <p>Other <input type="checkbox"/></p>
4	<p>If no activities have been carried out for this species in the reporting period, what has prevented such action being taken?</p> <p>The recently ended civil war</p>
5	<p>Describe any future activities that are planned for this species?</p> <p>research &amp; monitoring</p>

Miscellaneous information or comments on Appendix I terrestrial mammals (other than bats) in general:

## 5. BATS

### 5.1 General questions on Appendix I bats

1	Is the taking of all Appendix I bats prohibited by the national implementing legislation cited in Table I(a) (General Information)? If <i>other</i> legislation is relevant, please provide details:	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No
1a	If the taking of Appendix I bats is prohibited by law, have any exceptions been granted to the prohibition? If Yes, please provide details (Include the date on which the exception was notified to the CMS Secretariat pursuant to CMS Article III(7)):	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No
2	Identify any obstacles to migration that exist in relation to Appendix I bats: Vandalism of bat caves <input checked="" type="checkbox"/> Other threats to migration (please provide details) habitat alteration & destruction, poaching, inadequate legislation and lack of enforcement of existing legislation	
2a	What actions are being undertaken to overcome these obstacles? New Wildlife Conservation Regulations are being drafted; National Biodiversity Strategy and Action Plan and the Environmental Protection and Management Law of Liberia (2003) adapted for implementation; additional protected areas are being established; and, other wildlife conservation proposals are being developed to establish current conservation status, among others.	
2b	Please report on the progress / success of the actions taken. New Wildlife Conservation Regulations are being drafted under the Revised Forestry Laws of Liberia (2006); the National Biodiversity Strategy and Action Plan and the Environmental Protection and Management Law of Liberia (2003) adapted for implementation;	
2c	What assistance, if any, does your country require in order to overcome these obstacles? Technical, logistical and financial assistance	
3	What are the major threats to Appendix I bats (transcending mere obstacles to migration)? Pollution <input type="checkbox"/> Habitat fragmentation and loss <input checked="" type="checkbox"/> Other (please specify)	
3a	What actions have been taken to prevent, reduce or control factors that are endangering or are likely to further endanger species of bats beyond actions to prevent disruption to migrating behaviour? New Wildlife Conservation Regulations are being drafted under the Revised Forestry Laws of Liberia (2006); the National Biodiversity Strategy and Action Plan and the Environmental Protection and Management Law of Liberia (2003) adapted for implementation;	
3b	Please report on the progress / success of the actions taken. New Wildlife Conservation Regulations are being drafted under the Revised Forestry Laws of Liberia (2006); the National Biodiversity Strategy and Action Plan and the Environmental Protection and Management Law of Liberia (2003) adapted for implementation;	
3c	Describe any factors that may limit action being taken in this regard: Lack of technical, logistical and financial supports	
3d	What assistance/measures, if any, does your country require to overcome these factors? technical, logistical and financial assistance	

## 5.2 Questions on specific Appendix I bat species

In the following section, using the table format below, please fill in each Appendix I bat species for which your country is considered to be a Range State. Please complete each table as appropriate, providing information in summary form. Where appropriate, please cross-reference to information already provided in national reports that have been submitted under other conventions (e.g. Convention on Biological Diversity, Ramsar Convention, CITES). (Attach annexes as necessary.)

<i>Species name</i> – Common Name(s)	
1	Please provide published distribution reference:
2a	Summarise information on population size (if known): increasing <input type="checkbox"/> decreasing <input type="checkbox"/> stable <input type="checkbox"/> not known <input type="checkbox"/> unclear <input type="checkbox"/>
2c	Summarise information on trends (if known): increasing <input type="checkbox"/> decreasing <input type="checkbox"/> stable <input type="checkbox"/> not known <input type="checkbox"/> unclear <input type="checkbox"/>
2c	Summarise information on distribution (if known): increasing <input type="checkbox"/> decreasing <input type="checkbox"/> stable <input type="checkbox"/> not known <input type="checkbox"/> unclear <input type="checkbox"/>
3	Indicate (with an 'X') and briefly describe any activities that have been carried out in favour of this species in the reporting period. (Please provide the title of the project and contact details, where available):  Research <input type="checkbox"/> Identification and establishment of protected areas <input type="checkbox"/> Monitoring <input type="checkbox"/> Education / awareness rising <input type="checkbox"/> Species protection <input type="checkbox"/> Control hunting / poaching <input type="checkbox"/> Species restoration <input type="checkbox"/> Habitat protection <input type="checkbox"/> Habitat restoration <input type="checkbox"/> Other <input type="checkbox"/>
4	If no activities have been carried out for this species in the reporting period, what has prevented such action being taken?
5	Describe any future activities that are planned for this species:

Miscellaneous information or comments on Appendix I bats in general:

## 6. OTHER TAXA

### 6.1 General questions on Appendix I species belonging to other taxa

1	Identify the Ministry, agency/department, or organisation responsible for leading actions relating to Appendix I listed species belonging to taxa not included in sections 1-5 above:
2	Is the taking of all Appendix I species belonging to taxa not included in sections 1-5 above, prohibited by the national legislation listed as being implementing legislation in Table I(a) (General Information)? <span style="float: right;"><input type="checkbox"/> Yes    <input type="checkbox"/> No</span> If <i>other</i> legislation is relevant, please provide details:
2a	If the taking of Appendix I species belonging to taxa not included in sections 1-5 above is prohibited by law, have any exceptions been granted to the prohibition? <span style="float: right;"><input type="checkbox"/> Yes    <input type="checkbox"/> No</span> If Yes, please provide details (Include the date on which the exception was notified to the CMS Secretariat pursuant to CMS Article III(7)):
3	Identify any obstacles to migration that exist in relation to Appendix I species belonging to taxa not included in sections 1-5 above: Lack of legislation <input type="checkbox"/> Other threats to migration (please provide details)
3a	What actions are being undertaken to overcome these obstacles?
3b	Please report on the progress / success of the actions taken.
3c	What assistance, if any, does your country require in order to overcome these obstacles?
4	What are the major threats to Appendix I species belonging to taxa not included in sections 1-5 above (transcending mere obstacles to migration)? Other (please specify)
4a	What actions have been taken to prevent, reduce or control factors that are endangering or are likely to further endanger species belonging to taxa not included in section 1-5 above beyond actions to prevent disruption to migrating behaviour?
4b	Please report on the progress / success of the actions taken.
4c	Describe any factors that may limit action being taken in this regard:
4d	What assistance, if any, does your country require to overcome these factors?

## 6.2 Questions on specific Appendix I species belonging to other taxa

**In the following section, using the table format below, please fill in each Appendix I species belonging to taxa not included in sections 1-5 above, for which your country is considered to be a Range State. Please complete each table as appropriate, providing information in summary form. Where appropriate, please cross-reference to information already provided in national reports that have been submitted under other conventions (e.g. Convention on Biological Diversity, Ramsar Convention, CITES). (Attach annexes as necessary.)**

<i>Species name</i> – Common Name(s)	
1	Please provide published distribution reference:
2a	Summarise information on population size (if known): increasing <input type="checkbox"/> decreasing <input type="checkbox"/> stable <input type="checkbox"/> not known <input type="checkbox"/> unclear <input type="checkbox"/>
2b	Summarise information on distribution (if known): increasing <input type="checkbox"/> decreasing <input type="checkbox"/> stable <input type="checkbox"/> not known <input type="checkbox"/> unclear <input type="checkbox"/>
3	Indicate (with an 'X') and briefly describe any activities that have been carried out in favour of this species in the reporting period. (Please provide the title of the project and contact details, where available):  Research <input type="checkbox"/> Identification and establishment of protected areas <input type="checkbox"/> Monitoring <input type="checkbox"/> Education / awareness rising <input type="checkbox"/> Species protection <input type="checkbox"/> Control hunting / poaching <input type="checkbox"/> Species restoration <input type="checkbox"/> Habitat protection <input type="checkbox"/> Habitat restoration <input type="checkbox"/> Other <input type="checkbox"/>
4	If no activities have been carried out for this species in the reporting period, what has prevented such action being taken?
5	Describe any future activities that are planned for this species:

Miscellaneous information or comments on Appendix I species belonging to taxa not included in sections 1-5 above:

## 7 LISTING OF OTHER ENDANGERED MIGRATORY SPECIES IN APPENDIX I

1	<p>Is your country a Range State for any other endangered migratory species<sup>1</sup> not currently listed in Appendix I? <span style="float: right;"><input checked="" type="checkbox"/> Yes <input type="checkbox"/> No</span></p> <p>If Yes, please provide details: Liberia is a Range State of several endangered migratory species. Monitoring records are not available due to the 14-year civil war.</p> <p>N.B.: States in which a species occurs as a vagrant (i.e. not "on its normal migration route") should not be treated as Range States. Please refer to Article 1 of the Convention for clarification.</p>
1a	<p>Is your country taking any steps to propose listing any of these species? <span style="float: right;"><input checked="" type="checkbox"/> Yes <input type="checkbox"/> No</span></p> <p>If Yes, please provide details: Plans are underway to initiate biomonitoring activities to generate the relevant information to support this effort</p>
1b	<p>What assistance/measures, if any, does your country require to initiate the listing of these species?</p> <p>Technical, logistical and financial</p>

<sup>1</sup> according to the latest IUCN red data list

### III. Appendix II Species

#### 1. INFORMATION ON APPENDIX II SPECIES

Information pertaining to the conservation of Appendix II species that are the object of CMS Agreements will have been provided in periodic Party reports to those instruments. It will suffice therefore to reference (below), and preferably append, a copy of the latest report that has been submitted to the Secretariat of each of the Agreement/MoUs to which your country is a Party.

<b>WADDEN SEA SEALS (1991)</b>	
Date of last report:	Period covered:
<b>SIBERIAN CRANE MoU (1993/1999)</b>	
Date of last report:	Period covered:
<b>EUROBATS (1994)</b>	
Date of last report:	Period covered:
<b>ASCOBANS (1994)</b>	
Date of last report:	Period covered:
<b>SLENDER-BILLED CURLEW MoU (1994)</b>	
Date of last report:	Period covered:
<b>MARINE TURTLES – AFRICA MoU (1999)</b>	
Date of last report:	Period covered:
<b>AEWA (1999)</b>	
Date of last report:	Period covered:
<b>ACCOBAMS (2001)</b>	
Date of last report:	Period covered:
<b>GREAT BUSTARD MoU (2001)</b>	
Date of last report:	Period covered:
<b>MARINE TURTLES – INDIAN OCEAN / SOUTHEAST ASIA MoU (2001)</b>	
Date of last report:	Period covered:
<b>ALBATROSSES AND PETRELS (2001)</b>	
Date of last report:	Period covered:
<b>BUKHARA DEER MoU (2002)</b>	
Date of last report:	Period covered:
<b>AQUATIC WARBLER MoU (2003)</b>	
Date of last report:	Period covered:
<b>AFRICAN ELEPHANT MoU (2005)</b>	
Date of last report:	Period covered:
<b>PACIFIC ISLANDS CETACEANS (2006)</b>	
Date of last report:	Period covered:

Date of last report:	Period covered:

## 2. QUESTIONS ON CMS AGREEMENTS

### 2.1 Questions on the development of new CMS Agreements relating to birds

1	In the current reporting period, has your country <b>initiated</b> the development of any new CMS Agreements, including Memoranda of Understanding, to address the conservation needs of Appendix II bird species? If Yes, what is the current state of development?	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No
2	In the current reporting period, has your country <b>participated</b> in the development of any new CMS Agreements, including Memoranda of Understanding, which address the conservation needs of Appendix II bird species? <i>If Yes, please provide details:</i> Liberia is participating in current efforts to conclude the Memorandum of Understanding on the Conservation of Migratory Birds of Prey in Africa and Eurasia under the Convention on Migratory Species (CMS).	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No
3	If your country has initiated or is participating in the development of a new Agreement or Memorandum of Understanding, what assistance, if any, does your country require in order to initiate or participate in the instrument's development? Technical and financial assistance	
4	Is the development of any CMS Agreement for birds, including Memoranda of Understanding, planned by your country in the foreseeable future? If Yes, please provide details: Once the national biomonitoring programme comes into focus and adequate information becomes available	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No

### 2.2 Questions on the development of new CMS Agreements relating to marine mammals

1	In the current reporting period, has your country <b>initiate d</b> the development of any new CMS Agreements, including Memoranda of Understanding, to address the conservation needs of Appendix II marine mammal species? If Yes, what is the current state of development?	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No
2	In the current reporting period, has your country <b>participated</b> in the development of any new CMS Agreements, including Memoranda of Understanding, which address the conservation needs of Appendix II marine mammal species? <i>If Yes, please provide details:</i> Liberia participated in the series of scientific and inter-governmental meetings on marine mammals, titled "WATCH" – Western African Talks on Cetaceans and their Habitats during the week of 16-20 October 2007 that was held under the auspices of UNEP/CMS Secretariat. The meeting also focused on the development of an agreement on a Conservation and Action Plan for Small Cetaceans in Western African Waters, and determined the scope and format of a new CMS instrument for the Conservation of the West African Manatee.	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No
3	If your country has initiated or is participating in the development of a new Agreement or Memorandum of Understanding, what assistance, if any, does your country require initiating or participating in the instrument's development? Financial and technical assistance	
4	Is the development of any CMS Agreement for marine mammals, including Memoranda of Understanding, planned by your country in the foreseeable future? If Yes, please provide details: The development of any CMS Agreement or MoU for marine mammals in the foreseeable future will be predicated upon field surveys and monitoring initiatives in consonance with the implementation of Liberia's NBSAP, backed by the New Wildlife Legislation (currently being drafted). As the country has now moved from conflict to recovery, serious work is expected to begin soon on the conservation of protected wildlife species, including marine mammals.	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No

### 2.3 Questions on the development of new CMS Agreements relating to marine turtles

1	In the current reporting period, has your country <b>initiated</b> the development of any new CMS Agreements, including Memoranda of Understanding, to address the conservation needs of Appendix II marine turtles? If Yes, what is the current state of development?	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No
---	---	---

2	In the current reporting period, has your country <b>participated</b> in the development of any new CMS Agreements, including Memoranda of Understanding, which address the conservation needs of Appendix II marine turtles? If Yes, please provide details: Liberia was among other signatory states at the Second Meeting to the Memorandum of Understanding concerning Conservation Measures for Marine Turtles of the Atlantic Coast of Africa held in Dakar, Senegal, 5-7 March 2008. However, due to the 14-year civil war that the country underwent, progress in this regard has been stalled.	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No
3	If your country has initiated or is participating in the development of a new Agreement or Memorandum of Understanding, what assistance, if any, does your country require in order to initiate or participate in the instrument's development? Technical, logistical and financial assistance.	
4	Is the development of any CMS Agreement for marine turtles, including Memoranda of Understanding, planned by your country in the foreseeable future? If Yes, please provide details: The development of any CMS Agreement or MoU for marine turtles in the foreseeable future will be contingent upon collection of relevant field data and monitoring initiatives in consonance with the implementation of Liberia's NBSAP, (new) Wildlife Legislation, as well as implementation of Liberia's Poverty Reduction Strategy. Now that the country has moved from conflict to recovery serious work is expected to begin soon on the conservation of marine turtles.	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No

## 2.4 Questions on the development of new CMS Agreements relating to terrestrial mammals (other than bats)

1	In the current reporting period, has your country <b>initiated</b> the development of any new CMS Agreements, including Memoranda of Understanding, to address the conservation needs of Appendix II terrestrial mammal species (other than bats)? If Yes, what is the current state of development?	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No
2	In the current reporting period, has your country <b>participated</b> in the development of any new CMS Agreements, including Memoranda of Understanding, which address the conservation needs of Appendix II terrestrial mammal species (other than bats)? If Yes, please provide details: Efforts are underway to establish trans-boundary corridors with neighboring states to forge corporation for conservation of migratory species.	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No
3	If your country has initiated or is participating in the development of a new Agreement or Memorandum of Understanding, what assistance, if any, does your country require in order to initiate or participate in the instrument's development? Technical, logistical and financial assistance.	
4	Is the development of any CMS Agreement for terrestrial mammals (other than bats), including Memoranda of Understanding, planned by your country in the foreseeable future? If Yes, please provide details: <i>Efforts are underway to establish trans-boundary corridors with neighboring states to forge corporation for conservation of migratory species.</i>	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No

## 2.5 Questions on the development of new CMS Agreements relating to bats

1	In the current reporting period, has your country <b>initiated</b> the development of any new CMS Agreements, including Memoranda of Understanding, to address the conservation needs of Appendix II bat species? If Yes, what is the current state of development?	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No
2	In the current reporting period, has your country <b>participated</b> in the development of any new CMS Agreements, including Memoranda of Understanding, which address the conservation needs of Appendix II bat species? If Yes, please provide details:	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No
3	If your country has initiated or is participating in the development of a new Agreement or Memorandum of Understanding, what assistance, if any, does your country require in order to initiate or participate in the instrument's development? Technical, logistical and financial assistance	
4	Is the development of any CMS Agreement for bats, including Memoranda of Understanding, planned by your country in the future? If Yes, please provide details: As the country has now moved from conflict to recovery, serious work is expected to begin soon on the conservation of protected wildlife species, including bats.	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No

## 2.6 QUESTIONS ON THE DEVELOPMENT OF NEW CMS AGREEMENTS RELATING TO OTHER TAXA

1	In the current reporting period, has your country <b>initiated</b> the development of any new CMS Agreements, including Memoranda of Understanding, to address the conservation needs of Appendix II species belonging to taxa not included in sections 1-6 above? If Yes, what is the current state of development?	<input type="checkbox"/> Yes	<input checked="" type="checkbox"/> No
2	In the current reporting period, has your country <b>participated</b> in the development of any new CMS Agreements, including Memoranda of Understanding, which address the conservation needs of species belonging to taxa not included in sections 1-6 above? If Yes, please provide details:	<input type="checkbox"/> Yes	<input checked="" type="checkbox"/> No
3	If your country has initiated or is participating in the development of a new Agreement or Memorandum of Understanding, what assistance, if any, does your country require in order to initiate or participate in the instrument's development?		
4	Is the development of any CMS Agreement for other taxa, including Memoranda of Understanding, planned by your country in the foreseeable future? If Yes, please provide details: Based on the implementation of the National Biodiversity Strategy and Action Plan for Liberia, (New) Wildlife Legislation and Liberia's Poverty Reduction Strategy - 2008-10, several new agreements and/or MoUs will be developed or entered into, as would be dictated by field data generated in the near future.	<input checked="" type="checkbox"/> Yes	<input type="checkbox"/> No

## 3. LISTING OF MIGRATORY SPECIES IN APPENDIX II

1	Is your country a Range State for any migratory species that has an unfavourable conservation status, but is <u>not</u> currently listed in Appendix II and could benefit from the conclusion of an Agreement for its conservation? If Yes, please provide details: Liberia has about 45% remain high forest cover and a low human population density. The forest and shoreline of Liberia provide an excellent sanctuary for migratory species. However, due to the 14-year civil war the country underwent, its biodiversity potential has never been fully assessed. N.B.: States in which a species occurs as a vagrant (i.e. not "on its normal migration route") should not be treated as Range States. Please refer to Article 1 of the Convention for clarification.	<input checked="" type="checkbox"/> Yes	<input type="checkbox"/> No
1a	Is your country taking any steps to propose the listing of this/these species in Appendix II? If Yes, please provide details: Now that the country has moved from conflict to recovery serious work is expected to begin soon on conservation research and management of wildlife.	<input checked="" type="checkbox"/> Yes	<input type="checkbox"/> No
1b	What assistance, if any, does your country require to initiate the listing of this/these species? Technical, logistical and financial		

## IV. National and Regional Priorities

1	What priority does your country assign to the conservation and, where applicable, sustainable use of migratory species in comparison to other biodiversity-related issues	<input type="checkbox"/> Low <input type="checkbox"/> Medium <input checked="" type="checkbox"/> High
2	<p>Are migratory species and their habitats addressed by your country's national biodiversity strategy or action plan? <span style="float: right;"><input checked="" type="checkbox"/> Yes    <input type="checkbox"/> No</span></p> <p>If Yes, please indicate and briefly describe the extent to which it addresses the following issues:</p> <p><input type="checkbox"/> Conservation, sustainable use and/or restoration of migratory species</p> <p><input checked="" type="checkbox"/> Conservation, sustainable use and/or restoration of the habitats of migratory species, including protected areas Strategic Plan (2008-13) for the establishment and management of protected areas network is being finalized; comprehensive bill on conservation and wildlife legislation are being finalized.</p> <p><input checked="" type="checkbox"/> Actions to prevent, reduce or control factors that are endangering or are likely to further endanger migratory species (e.g. alien invasive species or by-catch) Strategic Plan (2008-13) for the establishment and management of protected areas network is being finalized; comprehensive bill on conservation and wildlife legislation are being finalized.</p> <p><input checked="" type="checkbox"/> Minimizing or eliminating barriers or obstacles to migration Strategic Plan (2008-13) for the establishment and management of protected areas network is being finalized; comprehensive bill on conservation and wildlife legislation are being finalized.</p> <p><input checked="" type="checkbox"/> Research and monitoring of migratory species Now that the country has moved from conflict to recovery serious work is expected to begin soon on conservation research and management of wildlife.</p> <p><input checked="" type="checkbox"/> Transboundary co-operation Efforts are underway to forge cooperation for the establishment and management of transboundary corridors with Liberia's neighbors.</p>	
3	Does the conservation of migratory species currently feature in any other national or regional policies/plans (apart from CMS Agreements)	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No
	<p>If Yes, please provide details: Among other things, the National Environmental Policy of Liberia (2002) seeks to maintain ecosystems and ecological processes essential for the functioning of the biosphere; ensure sound management of the natural resources and the environment; adequately protect human, flora, fauna, their biological communities and habitats against harmful impacts, and preserve biological diversity; and, find common solutions to environmental problems at regional and international levels. Also, Strategic Plan (2008-13) for the establishment and management of protected areas network is being finalized; comprehensive bill on conservation and wildlife legislation are being finalized.</p>	
3a	<p>Do these policies/plans cover the following areas (if Yes, please provide details):</p> <p>Yes    No</p> <p><input checked="" type="checkbox"/>    <input type="checkbox"/> Exploitation of natural resources (e.g. fisheries, hunting, etc.) comprehensive bill on conservation and wildlife legislation are being finalized.</p> <p><input checked="" type="checkbox"/>    <input type="checkbox"/> Economic development Also, Strategic Plan (2008-13) for the establishment and management of protected areas network is being finalized</p> <p><input checked="" type="checkbox"/>    <input type="checkbox"/> Land-use planning Also, Strategic Plan (2008-13) for the establishment and management of protected areas network is being finalized</p> <p><input checked="" type="checkbox"/>    <input type="checkbox"/> Pollution control</p> <p><input checked="" type="checkbox"/>    <input type="checkbox"/> Designation and development of protected areas</p> <p><input checked="" type="checkbox"/>    <input type="checkbox"/> Development of ecological networks</p> <p><input type="checkbox"/>    <input type="checkbox"/> Planning of power lines</p> <p><input type="checkbox"/>    <input type="checkbox"/> Planning of fences</p> <p><input type="checkbox"/>    <input type="checkbox"/> Planning of dams</p> <p><input type="checkbox"/>    <input type="checkbox"/> Other</p>	
4	<p>Results – please describe the positive outcomes of any actions taken</p> <p>Among other things, the National Environmental Policy of Liberia (2002) seeks to maintain ecosystems and ecological processes essential for the functioning of the biosphere; ensure sound management of the natural resources and the environment; adequately protect human, flora, fauna, their biological communities and habitats against harmful impacts, and preserve biological diversity; and, find common solutions to</p>	

environmental problems at regional and international levels. Also, Strategic Plan (2008-13) for the establishment and management of protected areas network is being finalized; comprehensive bill on conservation and wildlife legislation are being finalized.
--

## V. Protected Areas

1	<p>Are migratory species taken into account in the selection, establishment and management of protected areas in your country? <span style="float: right;"><input checked="" type="checkbox"/> Yes <input type="checkbox"/> No</span></p> <p>If Yes, please provide details: It is enshrined in Liberian law that because a large number of globally endangered species have been recorded in Liberia, therefore it makes the country the last stronghold for migratory species protection.</p>
1a	<p>Please identify the most important national sites for migratory species and their protection status: Sapo National park</p> <p>Sapo National Park was established in 1983. Sapo Park is entirely lowland rainforest, including swampy areas, dry land and riparian forests. It represents one of – if not the most – intact forest ecosystems in Liberia. This lowland forest gives way to medium-altitude forest on the slopes and peaks of the Putu Mountain ridges to the north of the park.</p> <p>East Nimba Nature reserve</p> <p>East Nimba Nature Reserve, established in 2003 is located in northern Liberia, within Nimba County. The reserve protects the Nimba Mountain Range which extends across the borders into Guinea and Cote d'Ivoire. It covers an area of 13,600 hectares. The reserve hosts migratory birds such as the European pied flycatcher, <i>Ficedula hypoleuca</i>, spotted flycatcher, and Garden warbler.</p>
1b	<p>Do these protected areas cover the following areas? (If Yes, please provide details and include the amount of protected areas coverage and the number of protected areas):</p> <p>Yes      No</p> <p><input checked="" type="checkbox"/>      <input type="checkbox"/> Terrestrial 193,863 hectares</p> <p><input checked="" type="checkbox"/>      <input type="checkbox"/> Aquatic Unknown</p> <p><input type="checkbox"/>      <input type="checkbox"/> Marine</p>
1c	<p>Identify the agency, department or organization responsible for leading on this action in your country: Environmental Protection Agency &amp; Forestry Development Authority</p>
2	<p>Results – please describe the positive outcomes of any actions taken</p>

## VI. Policies on Satellite Telemetry

1	<p>In the current reporting period, has your country undertaken conservation/research projects that use satellite telemetry? <span style="float: right;"><input type="checkbox"/> Yes <input checked="" type="checkbox"/> No</span></p> <p style="text-align: right;"><input type="checkbox"/> In preparation      <input type="checkbox"/> on-going      <input type="checkbox"/> completed</p>
2	<p>Are any future conservation/research projects planned that will use satellite telemetry? <span style="float: right;"><input type="checkbox"/> Yes <input type="checkbox"/> No</span></p> <p>If Yes, please provide details (including the expected timeframe for these projects):</p> <p>If No, please explain any impediments or requirements in this regard:</p>
3	<p>Results – please describe the positive outcomes of any actions taken</p>

## VII. Membership

1	<p>Have actions been taken by your country to encourage non- Parties to join CMS and its related Agreements? <span style="float: right;"><input type="checkbox"/> Yes <input checked="" type="checkbox"/> No</span></p> <p>If Yes, please provide details. (In particular, describe actions taken to recruit the non-Parties that have been identified by the Standing Committee as high priorities for recruitment.)</p>
1a	<p>Identify the agency, department or organization responsible for leading on this action in your country:</p> <p>Environmental Protection Agency</p>
2	<p>Results – please describe the positive outcomes of any actions taken</p>

## VIII. Global and National Importance of CMS

1	<p>Have actions been taken by your country to increase national, regional and/or global awareness of the relevance of CMS and its global importance in the context of biodiversity conservation? <span style="float: right;"><input checked="" type="checkbox"/> Yes <input type="checkbox"/> No</span></p> <p>If Yes, please provide details: Liberia is a party to a Tri-national effort for the establishment of a transboundary conservation network along with Guinea and Cote d'Ivoire, which is important for migratory species.</p>
2	<p>Identify the agency, department or organization responsible for leading on this action in your country:</p> <p>Environmental Protection Agency</p>
3	<p>Results – please describe the positive outcomes of any actions taken</p>

## IX. Mobilization of Resources

1	<p>Has your country made financial resources available for conservation activities having direct benefits for migratory species in your country? <span style="float: right;"><input checked="" type="checkbox"/> Yes <input type="checkbox"/> No</span></p> <p>If Yes, please provide details (Indicate the migratory species that have benefited from these activities): Forest Elephant</p>
2	<p>Has your country made voluntary contributions to the CMS Trust Fund to support requests from developing countries and countries with economies in transition? <span style="float: right;"><input type="checkbox"/> Yes <input checked="" type="checkbox"/> No</span></p> <p>If Yes, please provide details:</p>
3	<p>Has your country made other voluntary financial contributions to support conservation activities having direct benefits for migratory species in other countries (particularly developing countries)? <span style="float: right;"><input type="checkbox"/> Yes <input checked="" type="checkbox"/> No</span></p> <p>If Yes, please provide details (Indicate the migratory species that have benefited from these activities):</p>
4	<p>Has your country provided technical and/or scientific assistance to developing countries to facilitate initiatives for the benefit of migratory species? <span style="float: right;"><input type="checkbox"/> Yes <input checked="" type="checkbox"/> No</span></p> <p>If Yes, please provide details (Indicate the migratory species that have benefited from these activities):</p>
5	<p>Has your country received financial assistance/support from the CMS Trust Fund, via the CMS Secretariat, for national conservation activities having direct benefits for migratory species in your country? <span style="float: right;"><input type="checkbox"/> Yes <input checked="" type="checkbox"/> No</span></p> <p>If Yes, please provide details (Indicate the migratory species that have benefited from these activities):</p>
6	<p>Has your country received financial assistance/support from sources other than the CMS Secretariat for conservation activities having direct benefit for migratory species in your country? <span style="float: right;"><input type="checkbox"/> Yes <input checked="" type="checkbox"/> No</span></p> <p>If Yes, please provide details (Indicate the migratory species that have benefited from these activities):</p>

## X. Implementation of COP Resolutions and Recommendations

Please provide information about measures undertaken by your country relating to recent Resolutions and Recommendations since the last Report. For your convenience please refer to the list of COP Resolutions and Recommendations listed below.

**NOTE: Due to the recently ended civil, Liberia only recently became a signatory to the CMS and still has yet to familiarize itself with the various resolutions and recommendations of recent times.**

### Resolutions

- Resolution 6.2 – By-catch, and Recommendation 7.2 – Implementation of Resolution 6.2 on By-catch
- Resolution 6.3 – Southern Hemisphere Albatross Conservation
- Resolution 7.2 – Impact Assessment and Migratory Species
- Resolution 7.3 – Oil Pollution and Migratory Species
- Resolution 7.4 – Electrocuting of Migratory Birds
- Resolution 7.5 – Wind Turbines and Migratory Species
- Resolution 7.9 – Cooperation with Other Bodies and Processes
- Resolution 7.15 – Future Action on the Antarctic Minke, Bryde’s and Pygmy Right Whales under the Convention on Migratory Species
- Resolution 8.1 – Sustainable Use
- Resolution 8.2 – CMS Strategic Plan 2006-2010
- Resolution 8.5 - Implementation of Existing Agreements and Development of Future Agreements
- Resolution 8.7 - Contribution of CMS in Achieving the 2010 Biodiversity Target
- Resolution 8.9 - Review of GROMS (Global Register on Migratory Species)
- Resolution 8.11 - Co-operation with other Conventions
- Resolution 8.13 - Climate Change and Migratory Species
- Resolution 8.14 – By-Catch
- Resolution 8.22 - Adverse Human Induced Impacts on Cetaceans
- Resolution 8.24 - National Reports for the Eight and Ninth Meetings of the Conference of the Parties
- Resolution 8.27 - Migratory Species and Highly Pathogenic Avian Influenza
- Resolution 8.29 - Concerted Actions for Appendix I Species

## **Recommendations**

Recommendation 7.5 – Range State Agreement for Dugong (*Dugong dugon*) Conservation

Recommendation 7.6 – Improving the Conservation Status of the Leatherback Turtle (*Dermochelys coriacea*)

Recommendation 7.7 – America Pacific Flyway Programme

Recommendation 8.12 - Improving the conservation status of raptors and owls in the African Eurasian region

Recommendation 8.16 – Migratory Sharks

Recommendation 8.17 – Marine Turtles

Recommendation 8.23 - Central Eurasian and Aridland Mammals

Recommendation 8.26 - Grassland Bird Species and their Habitats in Southern South America

Recommendation 8.28 - Cooperative Actions for Appendix II Species

## **Other resolutions/recommendations:**

## **Other remarks:**

**Due to the recently ended civil, Liberia only recently became a signatory to the CMS and still has yet to familiarize itself with the various resolutions and recommendations of recent times.**

## Annex: Updating Data on Appendix II Species

The tables below contain the list of all species listed in Appendix II.

New Parties which have acceded since COP8 in 2005 and Parties which did not submit a National Report in 2005 are requested to complete the entire form.

Parties that did submit a report in 2005 need only which information has changed (e.g. new published distribution references and details concerning species added to Appendix II at COP8).

Species	Range State	Extinct at National level	No information available	Published distribution reference
<b>CHIROPTERA</b>				
<i>Rhinolophus ferrumequinum</i> (only European populations)	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	
<i>Rhinolophus hipposideros</i> (only European populations)	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>

All species of each of the Families below are listed in Appendix II. If your country is a Range State for any of the species in these Families, please enter the species name in the first column, under the relevant Family heading. Please indicate (with a 'X') whether your country is a Range State or the species is extinct and, where appropriate, please provide published distribution references. (Space is provided for ten species in each Family. If additional lines are required, please attach the information as an annex).
