

## **CMS Family Capacity Building Workshop**

**for African National Focal Points**

**What makes a good NFP?**

**29-31 October 2013,  
Cape Town, South Africa**

# What makes a good NFP?

## Qu'est ce qui fait un bon PFN ?

- Each group is entering a competition for an imaginary (!) \$20,000 for a national CMS project.
- The group has 20 minutes to work out how it will develop this project. It must also recall the qualities of an effective focal point.
- Each group must appoint a National Focal Point to represent them.
- This person will be invited to meet the donor and answer their questions in a concise and professional manner!

# The groups / Les groupes

- A. Improve protection of marine turtles  
Améliorer la protection des tortues marines
- B. Implement the Shoebill Action Plan in your country  
Mettre en oeuvre du Plan d'Action du Bec-en-sabot dans le pays
