

CMS and UNEA 2 Resolutions

The United Nations Environment Assembly (UNEA) is the United Nations' highest-level authority on the environment which will convene from 23 to 27 May in Nairobi. The High-level Segment will take place on 26 and 27 May 2016 under the overarching theme, "Delivering on the Environmental Dimension of the 2030 Agenda for Sustainable Development, including the policy review session entitled Healthy Environment, Healthy People." The Assembly will be preceded by the Science Policy Forum. In parallel to the Assembly, a three-day Sustainable Innovation Expo (SIE2016) will take place from 23 to 25 May, bringing together all stakeholders committed to contributing to the Sustainable Development Goals.
